Thaa

A large, black, calligraphic character resembling a stylized 'J' with a dot in the center, set against a light green background.

Jee

A large, black, calligraphic character resembling a stylized 'H' with a hook, set against a light green background.

Haa

A large, black, stylized Arabic calligraphic letter Khaa (خ) is centered on a light green background. The letter features a prominent hook at the top and a long, sweeping tail that curves to the right.

Khaa

A large, black, stylized Arabic calligraphic letter Daal (د) is centered on a light green background. The letter is characterized by a thick, curved stroke that starts from the top right and curves down to the left.

Daal

The image shows the Arabic letter Dhaal (ذ) in a bold, black, stylized font. It consists of a small black diamond-shaped dot above a thick, curved stroke that starts from the left, curves upwards and to the right, and then curves back down to the left.

Dhaa

The image shows the Arabic letter Ra (ر) in a bold, black, stylized font. It is a single, thick, curved stroke that starts from the left, curves upwards and to the right, and then curves back down to the left, ending in a sharp point.
